IMPORTANT NOTES for ALL OPENINGS

- Payment: \$200 deposit required with opening contract via credit card, check or cash. A valid credit card (MC/Visa/Discover/Amex) and a signed authorization to charge your credit card for work and chemicals must be on file for all customers. Your credit card will be charged within 48 hours of completion of work unless you elect to pay by check or cash at one of our locations prior to your card being processed. You will not be invoiced, however, you will receive a copy of payment via email if provided.
- To ensure our best possible service to you, PPP will only use chemicals that are provided by or purchased from PPP.
- Make sure overflows are plugged and Desjoux valves closed prior to filling pool.
- Water level must be in middle of skimmer or higher before opening (top of skimmer for MESH covers).
- Please note any locked gates or animal issues on the contract.
- Additional charge of \$45 may apply if return visit is necessary for either item above.
- Every pool is different in size and water condition upon opening. PPP charges additional for chemicals so that you pay for only what is needed to get your pool balanced and clear.
- Solid covers must be pumped dry and debris removed prior to opening (additional charges will apply).
- Must have a working garden hose, water turned on and electrical outlet available.
- We assume NO responsibility for tearing of covers due to winter damage, age, or normal cover removal.
- All return eyes, plugs, gauges, baskets, chemicals, etc. must be left out OR you will be charged for new ones.
- Repairs noted will have to be scheduled for another day.
- There will be an additional charge of \$25 for removal of dead animals from pool.
- If you have a DE filter, leave out DE powder. DE is not part of our opening chemical package.
